The Taste of St. Hubert: was held in the Ministry center at St. Hubert on October 3rd. Our Council's Knights volunteered to work the "Bar" and some of the food booths.

Pictured above are PGK Ken Szott, Tim Figiel, John Vlnka, George Gincotta, and George Noonan.

Our Lecturer: Pete Munnich is Council 6964's lecturer. After every Business meeting someone's always asking, Who made that pulled pork or Who made those submarine sandwiches? The answer is Pete Munnich our Gourmet lecturer. Cooking seems to be his passion. He even took special cooking classes. He just hopes you enjoy his creations.

Pictured on the right are some of Pete's homemade submarine sandwiches and Pete Munnich himself. As everyone would say: "Great Job Pete!"

Women at the Well: Once again held the very popular "Women at the Well" series starting on Tuesday, **November 10th. at 6:45 P.M.** at Church of the Holy Spirit. Knights were requested to help serve food at this event.

Larry Arquilla received a quick email from Betty Turner, advising him that Church of the Holy Spirit had 130 women signed up for the next meeting. The women were giving us a "**Heads Up**". They are looking forward to our smiles and our help. You will enjoy it as much as they do. As it turned out our council supplied 12 knights to help serve these women that night. Well done men.

Pancake Breakfast for Catholic Education

The Knights of Columbus, Council 6964, is hosted a Pancake Breakfast on Sunday, November 8, from 9:00 to 1:30 at the **Church of the Holy Spirit**. All net proceeds from the breakfast will be donated to the Church of the Holy Spirit Religious Education Program.

Hope you and your family were able to attend. The entire breakfast event was orchestrated by Pete Stresino.

CHS Food Pantry: The Knights of Columbus, Council 6964 help with the food pantry on a daily basis. Tim Figiel works closely with LaVerne Horgan of CHS and a large group of volunteers to efficiently run the Food Pantry. Until you see it, it's hard to imagine the scope on which this pantry operates. Truck loads of food from canned goods to fresh meat & produce are processed here and handed out in bags on Thursdays to those in need. Literally hundreds of thousands of pounds of food go through this facility on a yearly basis.

Coats for Kids: Grand Knight Joe Tuccori spearheaded this year's campaign for the "Coats for Kids" event. Basically, Joe budgeted, called for a motion and successfully launched this program. We were able to supply Church of the Holy Spirit, St. Matthew and St Aloysius, boxes and boxes of brand new coats for those in need. Great Job Joe!

Dean Hoppesch and his son Matthew delivered 24 coats to Sister Juliana Miska, SCC at St. Aloysius Parish on Saturday November 7.

Not to be left out, SK Reggie Lualhati played a large part in the Knights of Columbus Coats for Kids event at St. Matthew. Reggie had reached out to local organizations, inquiring about underprivileged children in need of winter coats. He eventually found a lead within the St. Matthews Religious Education program. He coordinated efforts with the Pastoral Associate Milissa Barthold, providing the specifics of the Coats for Kids program, detailing the inventory of coats that the Knights of Columbus could provide, and set up the delivery where both the church and council 6964 could document and photograph the event for internal publication. He also gave status updates at Knights of Columbus Planning and Business Meetings. Well Done Reggie!!!

November is Long Term Care Insurance Awareness Month

By Pierre Zermatten - Field Agent

November brings colorful foliage and hints of winter in the air, but it also means the start of National Long-Term Care (LTC) Insurance awareness month! LTC insurance awareness focuses particularly on consumers who have yet to start planning. Long-term care includes a wide range of medical and support services for people with a degenerative condition (such as Parkinson’s, or those that occur after a stroke), a prolonged disease (like cancer), or a cognitive disorder (Alzheimer’s). This type of care is chronic (full-time) and thus can become very expensive. It can be provided in many settings, including nursing homes, your own home, and assisted living facilities. Planning for old age, and the health problems that come along with it, is best to do now, before it is too late. It is so important to get ready for a better future, protect your retirement savings and your independence, and spare your loved ones from having to

assume the responsibilities of paying for your care. Call me today to learn more. Pierre Zermatten 847-323-0914

Remember!
